Welcome to the Statistical Trends and News of Denton (STaND) Report. The report compiles demographic, growth and economic information that is provided or tracked by various City of Denton departments. Those departments contributing to this report are: Building Inspections, CIP Engineering, Economic Development, Finance, Fire, GIS, Planning, Police, and Utility Administration. Under each chart or graph you will find the source of the information along with a City of Denton contact e-mail address should you have any questions regarding the data.

Although the report will be updated monthly, some of the data will be updated quarterly or even on an annual basis. For example, population estimates are typically updated annually, and new annexations would only be changed when an annexation occurred.

You can find this report internally under News on the City's intra-net or externally on the Economic Development website http://www.dentonedp.com/news_case_studies/stand_reports.asp.
