

Michelle Cunningham, CEcD, EDFP

Business Development Officer, City of Denton

Michelle Cunningham joined the City of Denton Economic Development Department in November 1998 and is responsible for Denton's business retention, expansion and workforce development efforts, and the City's education and international partnerships. Her prior industry experience includes strategic planning for Northrop Grumman and Yellow Freight Systems, new markets development for Marion Merrell Dow, national account management for AT&T and Canadian government and commercial sales for Beech Aircraft.

Michelle is a Certified Economic Developer (CEcD), member of the International Economic Development Council and has served on the Texas Economic Development Council Education Committee. She became a certified Economic Development Financial Professional (EDFP) through the National Development Council in 2015 and has served on a number of Denton non-profit boards supporting community quality of life and business development.

Michelle holds a Bachelor of Science degree in Business from Kansas State University with majors in business management and labor relations.
