#### **Denton Named #36 of 50 Best Small and Mid-Size Cities for Entrepreneurs**

Big cities have long been viewed as hubs for entrepreneurship. However, many smaller cities are also working to foster the entrepreneurial spirit.

A new survey by small and mid-size city research site Livability and Entrepreneur Magazine ranked the 50 best small and mid-sized cities for entrepreneurship. The rankings were chosen based on these 15 data points:

- Support for startups
- Sense of community of similarly-driven people
