

More Americans Are Moving to Texas

More Americans Are Moving to Texas

By | Apr 7, 2018

Texas Keeps Getting Bigger.

Lone Star State's counties lead the United States in population gains reported by the U. S. Census Bureau. Texas has 8 counties in the top 15 in population growth. Denton gained 27,911 and was named #9 county in population growth by the U.S. Census Bureau from July 1, 2016 to July 1, 2017.
