

Denton Gets Go-Ahead For Second Airport Runway

Denton Gets Go-Ahead For Second Airport Runway

By | Jul 11, 2018

Denton's Municipal Airport is growing. The Federal Aviation Administration recently signed off on plans to add a second runway. The implications could go far beyond just the airport ? the tenth busiest in Texas. Construction on the new runway could begin by late September.

?It's a project that's been a long time in the making,? said Scott Gray, airport manager.
